BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF COLUMBIA GAS OF)	
KENTUCKY, INC., FOR APPROVAL OF)	CASE NO. 9529
A SPECIAL INTERIM AGENCY SERVICE)	

O R D E R

On April 2, 1987, Columbia Gas of Kentucky, Inc., ("Columbia") filed a letter requesting that the experimental tariff previously approved in this case be extended beyond its current expiration date and modified to make it available to more customers. The Commission originally approved the tariff upon finding that it would help Columbia retain customers who would otherwise have converted to alternate fuels. The tariff was approved by Order dated May 2, 1986, and was to expire one year thereafter.

The Commission FINDS that:

- (1) Columbia's letter will be treated as a Motion.
- (2) This case should be reopened to consider Columbia's request.
- (3) The current tariff provisions should remain in effect pending the outcome of this case.

IT IS THEREFORE ORDERED that:

- (1) This case be and it hereby is reopened to consider Columbia's request to extend and modify the tariff.
- (2) The current tariff provisions shall remain in effect pending the outcome of this case.

Done at Frankfort, Kentucky, this 28th day of April, 1987.
